DIRECTIONS: USING THE SPACE ABOVE SKETCH THE OBJECT PROVIDED BY YOUR ADVISOR.

Name: Stephen Meeks

Date: 09 / 17 / 2005

School: Greenbrier Middle

Grade: 6th

Advisor: Mr. White

Asteroid: #4 Vesta

Description:

Baseball - A spherical ball white in color with curving seems. The seems have 35 red yarn-like laces. The surface of the ball is made of a mostly smooth leather. It has a black scuff mark on the top center and a dark scratch.

Advisor's Comments

Good Description and drawing. Maybe use colors in future sketches.

Chief Astronomer's Comments

Great observation and catching the shadow. I look forward to seeing future observations and color!
